HELL HOLE SWAMP FESTIVAL

November 22, 2015

The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Governor Haley,

The Hell Hole Swamp Festival in Jamestown will be celebrating its 46th annual event on Saturday, May 7th, 2016. Our festival is an annual gathering of surrounding communities and is a homecoming for many former residents.

We have weathered hurricanes, floods, war and other disasters during our 300 years on the bank of the Santee River. Our people are strong and resilient and proud of our little piece of the state thus celebrating accordingly.

The board and membership of Hell Hole Inc respectfully request the presence of your honor at our gathering.

We would be honored with your participation in our parade that begins at approximately 10:30 am with line-up beginning at 9:30 am. We will have parade marshals available to assist with line-up and provide any necessary signage.

We would appreciate confirmation of your attendance. I can be contacted via USPS, email markdguerry@gmail.com or telephone 843-509-5797.

Thank you for your consideration.

Sincerely,

Mark D. Guerry
Parade Director – Hell Hole Swamp Festival
