Today was a great day for South Carolina! We need to continue to see strong accountability coming from the school. Thank you for your willingness go serve.

Governor Haley,

I want to thank you for your support as without it ,I'm not sure we would be off probation. Now the real work starts as we still need to change the culture, conduct our Presidential search and continue to be fiscally prudent. Having said that, we will need continued Financial Support from the State to make the school attractive and competitive.

Regards,

Milton
