Subject: SCDOT Final Winter Storm Report

Skies have finally cleared, but some isolated icy spots remain in Oconee, Pickens, Greenville, Spartanburg, and Cherokee counties, and crews will work through the day to deal with these. A detailed report from Districts 3 and 4 is attached.

SCDOT Interim Secretary Christy Hall would like to thank the hard-working SCDOT crews for their thorough preparation efforts before the storm and rapid response to conditions as they arose. Their efforts kept SC drivers safe and able to travel with as little disruption as possible in an event like this.
