Danny,

Wanted to get you the rest of the details for the stop on the 25th. Let me know if you have any questions!

- Segment is from 9:30-10a – if he can arrive by 9:20a, that'll give us time to get his mic on, etc
- Bus still be parked on Gervais St
- Host back here at C-SPAN will be Peter Slen
- Emergency contact back here is me: 202-626-4875 (4-6a) & 202-626-4355 (after 6:15a)

The only thing we'll need is a contact number for the morning, in case we need to be in touch.

If there are specific issues the Lt. Gov. is focused on & would like to talk about, send those along: we'll be doing research to give to Peter, but we're always happy to have suggestions!

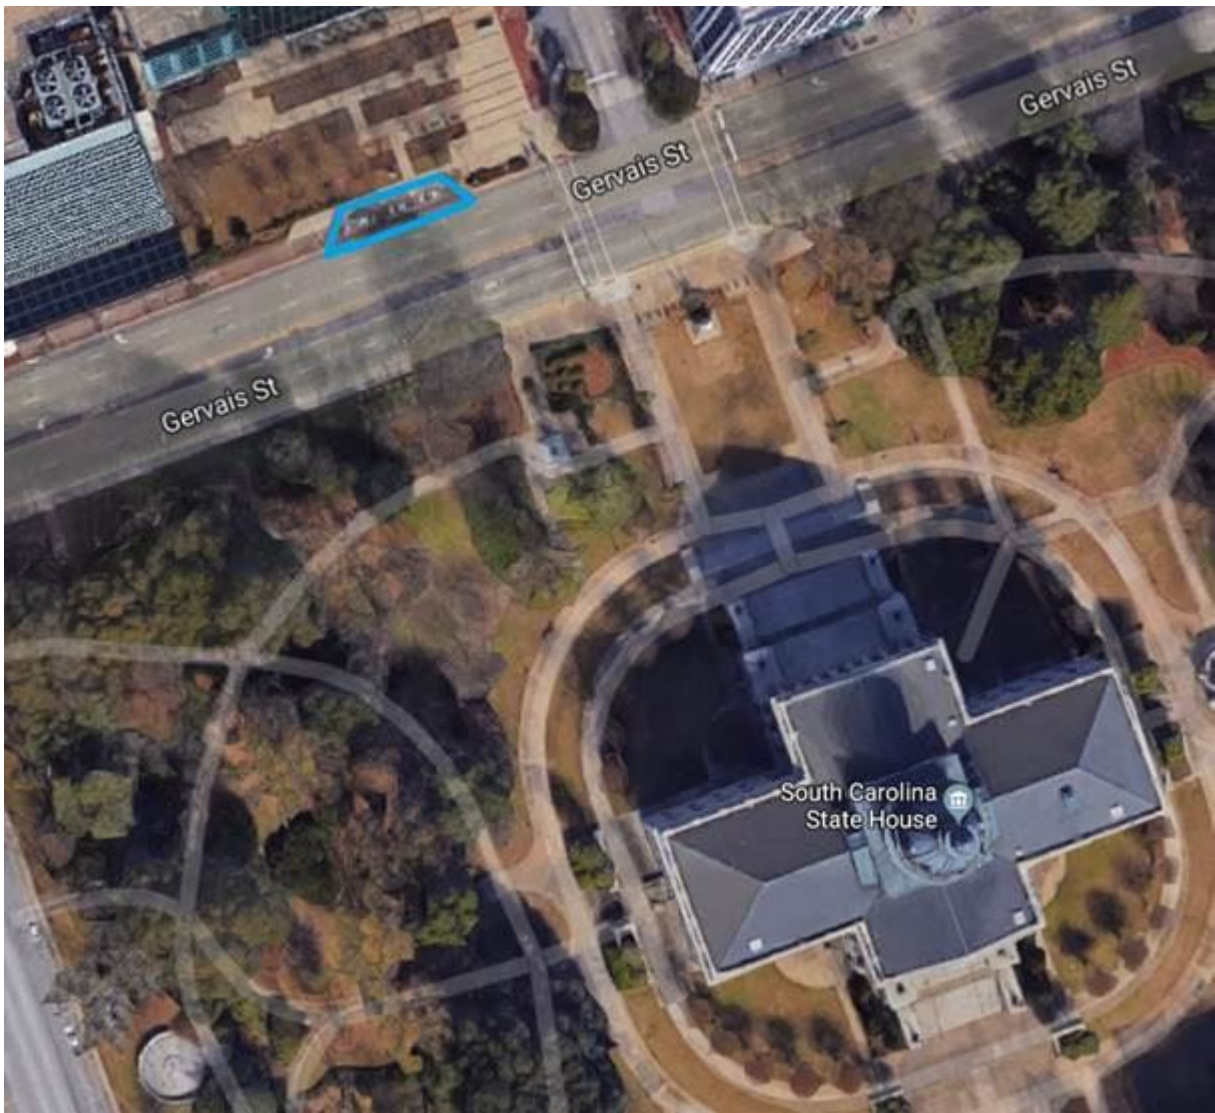

Thanks again!

Yes, most definitely. Doug Hemmig will be the contact that morning – he's one of our marketing reps that travels with the bus. His cell is 202-309-3359, email is dhemmig@c-span.org.

Will get you additional details, but here's what I have for the parking.
The bus will be parked on Gervais Street in front of the capitol for the interview on Thursday, January 25.

Let's stick with the 9:30-10a. I looked at the calendar & we shouldn't have any issues.

Put us on your schedule & I will get you details in a bit.

Thanks again!
Jenn

Danny,
Thank you for your email. Let me check with folks here to be sure, but I do have a question: recently the House of Representatives has been coming in early on Thursdays (they are today) which cuts our program short. If my boss is thinking that might the case for the 25th, do you think he could move earlier to 8:30-9?

I don't want to miss out on the opportunity to have him so I'm just trying to cover all the bases!

Will be in touch!

Jenn, thank you so much for this opportunity. LG Bryant will be available to come in at 9:30 that morning. Please let me know if that can work. We appreciate it.

Good Afternoon,

The C-SPAN Bus is traveling across the U.S. to all the state capitals in celebration of the bus being on the road and reaching out to people all across America for the past 25 years. As part of our drive across America, our goal is to get as many governors, lieutenant governors & cabinet officials as we can on the morning call-in program, [the Washington Journal](#), while the bus (which doubles as a mobile studio) is stopped outside the capitol building. Having said that, I wanted to see if Lt. Gov. Bryant would be available for an interview.

For this interview, we'd be looking for 20-30 minutes of Lt. Governor Bryant's time on Thursday, January 25th. We could do it anytime between 7-10a ET. He'd be asked a few questions by C-SPAN host Peter Slen & then we'd weave in viewer calls, with a special line set aside for South Carolina viewers. If 30 minutes – or even one of those mornings – doesn't work, let me know: we'd be more than happy to pre-tape a 7-10 minute interview with him ahead of time. Interviews we've done so far on the bus are available on the C-SPAN Community page (just scroll down a bit):

<https://www.c-span.org/community>.

Let me know if he'd be interested in joining us or if you have any questions.
