Subject: RE: Transition - FEMA External Affairs

---

Good afternoon –

I'm replying to all to introduce myself as the (relatively) new External Affairs Officer for 4241-DR-SC. Derrec and I have been working together at the JFO since I arrived shortly after Hannah left. The fast pace required on this operation and the juggling that followed the staffing changes that Hannah mentioned have taken my attention. Please accept my apology for not introducing myself sooner!

I look forward to working with you. Feel free to call any time.

Regards,

Crystal

All –

Just a quick note to thank you for the tremendous hospitality and opportunity to work in South Carolina. I've really enjoyed working with all of you.

I am demobilizing at COB today. Leo Skinner will be acting External Affairs Officer until Monday, when Crystal Payton arrives. Crystal Payton will then be the designated EAO for the next several months (or the duration of this operation).

There are several staffing changes occurring over the next few weeks in External Affairs, but we remain committed to SC disaster survivors and working with your office. Please let me know if you have any questions or concerns.

Thanks again, hv
