Dear Governor Nikki Haley:

The idea that additional gun control measures will have any impact on terrorism or crime is reprehensible. Disarming the populace only serves to increase casualties. As a small business owner holding a Federal Firearms License, I know intimately the restrictions on gun purchases, and I follow them closely. I expect my representatives to stand up for the safety of my family, for me and my rights, and for my business. You must oppose any and all additional controls, especially the ludicrous idea of repealing the 2nd Amendment in full.

Sincerely,  
Matthew McCarnan
