South Carolina State Parks

at 19:00:01 on 3/26/2020 UTC · 🌐

We're doing Facebook Live crafts tomorrow morning (3/27) at 10 a.m. with Ranger Ann & Ranger Michaela from Myrtle Beach State Park! These crafts will focus on birds! Want to join in on the fun from home? See the list of materials you will need tomorrow, below!

The graphic features a green header bar at the top. Below it is the South Carolina State Parks logo, which includes the text 'SOUTH CAROLINA STATE PARKS' and 'COME OUT & PLAY' with a small tree icon. The main title 'Supplies List for Facebook Live Crafts' is centered in a large, bold, dark green font. Below the title, the text 'Things you will need:' is followed by a bulleted list of items: Paper (recycled paper (literally could be an old bill) will work fine!), Scissors, Tape or glue (either one), Empty toilet paper roll, and Markers/crayons/pens etc.

Rick Bowers South Carolina State Parks Why are the parks open? Edisto Beach is shut down yet state parks are open and encouraging groups to get together? Makes no sense!

Merry Ekola Carden Rick Bowers They are still allowing campers to come if they already had a reservation.
Makes no sense to me either.

Judean Sterling Stone Melissa Witschen Green you might want to take a look at this site for something to do with Dylan and Maci. They have something new most every day!♥
at 21:00:34 on 3/26/2020 UTC

Rick Bowers Merry Ekola Carden They are more than likely booked all summer. Edisto needs to come together and protest until they close.
