Do we have a room number for the meeting? I assume it is in the Blatt building.

Also, I have received an inquiry from one of the districts asking whether the superintendent can bring two others working with the district with her. Advices please.

Subject: Parking for Friday

Good afternoon all,

Our office has reserved 23 parking spaces (the maximum number available) in the Visitor Lot on the corner of Pendleton and Assembly Streets for the Superintendents' meeting with the Governor this Friday. The spots are first-come, first-served but are available for use all day, if needed. The entrance and exit to the lot is on the 1000 Block of Pendleton Street, and guests may park in any open spot.

The security gate code is 2883.

We hope this is helpful. If you have any questions, please let me know.

Thank you,

Rebecca Schimsa
