Dear Yvonne:

On October 19, 2011, our office received your Freedom of Information Act request for "access to or copies of, whether in paper or electronic form, the governor's calendar, including daily itineraries since her January inauguration." We have found records responsive to your request.

Due to the high volume of Freedom of Information Act requests received by the Governor's Office and the significant costs associated with producing the requests, our office will charge a reasonable cost of copying records as allowed pursuant to Section 30-4-30(b). We estimate that the costs of these records will be at least \$67.50 (675 pages at 10 cents per page). You may send a check made payable to the "Office of the Governor" at the contact information listed below. Please provide the payment, and we will send the information to you.
