Subject: FW: SNAP benefits

Guidance here?

Subject: SNAP benefits

I'm writing something about what Templeton says should happen with SNAP benefits (basically getting a federal waiver to restrict them to the WIC items list, with a few additions) as a way to cut down SC's obesity. DSS has already said they don't want to weigh in – and it's them that would have to make the waiver request to USDA – but I wanted to offer the governor to have a voice in the story if desired.
