

Dear Governor Nikki R. Haley,

As a citizen of South Carolina, I urge you to stand firm against any attempt by the Obama Administration to curtail -- or infringe upon -- my Second Amendment rights.

This inalienable right was not won cheaply. And it continues to rightly be We The People's check against a rapidly encroaching tyranny.

Please file suit, if necessary, on behalf of South Carolina to block any and all unconstitutional federal gun-infringement orders from Barack Obama.

Best regards,

Debra P Butler, Aiken, SC 29801-3250
