Hey Katherine,

I've confirmed the sign for the entrance area. It is 8ft long by 3 ft wide. Have you found out about the AV needs of Mr. McCain so we can get a revised quote? Thanks!

Have a great weekend,  
Amanda

Hi Katherine,

It was a pleasure meeting with you today! As soon as you find out what kind of AV equipment Mr. McCain will require, please let me know, in addition to the format for which the presentations will be in (DVD, etc). I've attached a rough sketch of the tent's layout, including the pool furniture on the surrounding brick as discussed. The high tops, labeled HT, can obviously be scattered anywhere throughout. Please let me know if you have any further questions!

I look forward to working with you on this event! Have a great weekend.

Sincerely,

Amanda Schultz
