Subject: ABF Executive Order

She wants to move with the ABF executive order...I sent the attached text to John Finan for his review/comment, but he's on vacation for the rest of this week, so I'm not sure when I'll hear back.

If any of the relevant chairs or presidents throw a red flag on this, I'm not sure we can proceed, since we're going to have to get to some kind of consensus with this group. So do you mind reaching out to folks next week to see if they're OK with this?

I'll send it to Trey directly, 'cause I talked to him a couple days ago and said I'd get him a copy of it.

Thanks.
