IMPORTANT NMVTIS NEWS!

The U.S. Department of Justice, Office of Justice Programs' Bureau of Justice Assistance has announced two grant opportunities for states to implement NMVTIS.

The Edward Byrne Memorial Discretionary Grants Program helps local communities improve the capacity of local justice systems and provides for national support efforts including training and technical assistance programs strategically targeted to address local needs. Funds can be used for

demonstration, replication, expansion, enhancement, training and/or technical assistance programs. **Please note, state Motor Vehicle Agencies or Departments of Revenue or Public Safety can work with their state or local law enforcement agencies to submit an application for National Motor Vehicle Title Information System (NMVTIS) development funding under one of the six categories.** Please visit the Department of Justice Web site at

<http://www.ojp.usdoj.gov/BJA/> for more details. All applications are due by 8:00 p.m. (ET) on June 25, 2007. You can also view the announcement on Grants.gov.

BJA is seeking applications from states that wish to participate in the National Motor Vehicle Title Information System (NMVTIS). NMVTIS is designed to share motor vehicle title information to reduce auto theft and title fraud. The goal of this initiative is to increase the number of states currently providing data to NMVTIS and to begin planning for future, fully online connectivity where data is shared real-time and instant title checks occur before a title is issued. This funding would be for states to complete system development to provide batch data to NMVTIS on a daily basis. Applicants are limited to state agencies with responsibility for the registration and storage of vehicle title and registration information within the state. All applications are due by 8:00 p.m. (ET) on July 19, 2007. For assistance with the requirements of this solicitation, please contact David P. Lewis, Senior Policy Advisor, at 202-616-7829, toll-free at 1-866-859-2687, or via e-mail at david.p.lewis@usdoj.gov. This application must be submitted through

www.Grants.gov. The Grants.gov number assigned to the announcement is BJA-2007-1643 (link to: <http://www.grants.gov/search/search.do?oppId=14283&mode=VIEW>).
