## South Carolina State Parks

at 0:25:08 on 1/29/2012 UTC · 🌐

What a beautiful day! Did anyone get out and participate in our NEW State Parks Geocache Challenge?

### Geocaching in SC State Parks

Most all of our parks have at least one geocache located on the park. Some of our parks have many. Make sure to participate in the State Park Geocache Challenge.

**John Wallace** I did! I loved everyone if them. I picked up several FTFs (First to Finds) and won a free cabin stay. I think there are some left to win. Many of my friends have picked up some near Florence / Darlington and are planning on getting a lot more. Also there are some discounts in some of them for LOTS of things in several of the Parks. THANK YOU for putting them out. Lots of Family Fun.
