Governor (Nikki),

Realizing your schedule is more congested now than ever, I would be grateful for the opportunity for my granddaughter, Ella, to meet you.

I am trying to introduce 7 year-old Ella to successful and accomplished women as examples of what she can do. Given that you are South Carolina's most prominent woman and someone she's heard of her entire life, meeting you would give her a powerful message that gender is not an obstacle.

Ella has met Sen. Katrina Shealy and other local elected officials as well as female doctors and law enforcement officers. Before you head off to New York, would it be possible for just a minute or two for her to say hello?

Thank you
