Feedback:

Last call with JY – he was not familiar with the letter sent to Governor Haley's – regarding this situation.

DHEC informed her she was sent a letter in December – she's never received. She's asked for a copy of the letter – please email copy to - [carolinabeve@hotmail.com](mailto:carolinabeve@hotmail.com)

She has asked a series of questions which have still not be addressed.

I have confirmed a call for us and Beverly Lynch on Thursday at 2:00pm (336-971-6380).

Thanks, KV
