David,

No problem. I can email a copy now to you and let's see if it goes through. It is in two chunks. If it does not come through, let me know and I will break it into smaller portions. I will send another email afterwards letting you know they have been sent.

Also, attached please find a revised Index. I realized after I sent it that items 27-29 were not updated. They are policies, not complaints. Here is the corrected version.

Richele,

Yes. Ms. Green gave me the information regarding the hearing.

I need an additional copy of the packet of information given to the five Board members. Ms. Green has asked me to assist her in reviewing the charges, but I need all the information that is referenced. It seems that some Board members were receiving documents and not passing them on to the full Board. Also at least one of the anonymous letters in the packet was never received and there are other letters referred to that RCRC staff nor the Board had never seen.

Richele,

As of the moment – all other Board members will be at the Board meeting tonight and the hearing next week.

Is a time and place for the hearing set?

Yes. Thank you! I have two resignations. Before I keep printing – do you think anyone else is planning to resign?

Richele,

Will the 3-member panel have all the documents also or does the Board need to provide them with copies? David

Ms. Taylor,

We will have our regular Board meeting on Monday 12/21 at 6:00pm at the Adult Activity Center on Parklane. If the documents are ready by then, we can distribute to Board members and if not you can deliver them to our office on Tuesday and we will deliver them.

Ms. Watts and Mr. Stringer,

On Monday or Tuesday I would like to get documents to the RCRC Board members. I will have flash drives with the documents loaded. I can deliver these to the RCRC, or I can deliver them to specific addresses. Would you let me know what is preferred? I will have one for each member.

Thank you,

Richele
