Dear The Honorable Nikki Haley,

My name is Wynne McDade,
I'm 10 years old. I live in Roanoke, VA.
I love SC because it's so warm and
because I have a house there. How
does it feel to be one out of 6
female Governor or to be the first
female governor of SC? Wow! How does
it feel to be governor and not
First Lady? If you could please respond
that would be awesome.

Sincerely,
Wynne McDade

P.S. You are very pretty.
