Subject: January SCSEP Updates

SCSEP Grantees,

Please see the attached "SCSEP Updates" for January 2015. **2015** marks 50 years of the Senior Community Service Employment Program!!! We are all very excited and looking forward to hearing about the many celebratory activities that will occur throughout the year.

Fun Fact Trivia Question to start off the new year!!

The Senior Community Service Employment Program (SCSEP)--now Title V of the Older Americans Act--evolved from Operation Mainstream, a pilot project established under Title II of the Economic Opportunity Act. Operation Mainstream, which was first funded in 1965, provided jobs for chronically unemployed, poor adults in a wide range of activities to improve the social and physical environment primarily in rural areas.

TRUE or FALSE? We will find out the answer during the February Grantee Call

In the meanwhile, if you have questions, please let us know at SCSEP.National@dol.gov.

Thank you,
National Office Staff
