Senator,

We spoke to Mr. Beeco this morning. We did receive his application and everything was fine. We processed his confirmation yesterday and told him he should be receiving his letter any day now. Thank you for letting us know!

Sincerely,
Madison

Katherine:

I failed to mention that Mr. Beeco called. He faxed his information to the Governor's office and wanted me to check and make sure that it arrived. He said he wasn't sure about his fax machine. His cell number is: 864-908-5600.

Many thanks!

Larry
