## About California Life Science Association (CLSA)

California Life Sciences Association (CLSA) is the state's largest and most influential life sciences advocacy and business leadership organization. With offices in Sacramento, San Diego, South San Francisco, Los Angeles and Washington DC, CLSA works closely with industry, government, academia and others to shape public policy, improve access to innovative technologies and grow California's life sciences economy. CLSA serves biotechnology, pharmaceutical, medical device and diagnostics companies, research universities and institutes, investors and service providers throughout the Golden State. CLSA was founded in 2015 when the Bay Area Bioscience Association (BayBio) and the California Healthcare Institute (CHI) merged. Visit CLSA at [www.califesciences.org](http://www.califesciences.org), and follow us on [Twitter @CALifeSciences](#), [Facebook](#), [LinkedIn](#), and [YouTube](#).

## About PwC

PwC's Pharmaceutical and Life Sciences Industry Group helps organizations – from biopharmaceutical and medical technology firms to generic manufacturers – better connect to consumer needs to develop and deliver the treatments of tomorrow. We work with clients to uncover their most valuable strengths, identify complementary partnerships and keep up with the latest advances in technology, so they can better compete in an evolving health market and improve cost-efficiency and profitability.
