Thanks – I'm juggling with our schedulers...hoping to have an answer for you on Monday. At first glance, the 10th looks best on our side, but I'll let you know early next week.

Sorry, a change. **Monday, July 8 or Thursday morning July 11 until 12:30** would our preference for the press event, but we can make Wednesday, July 10th work if need be.
