Office of Governor Nikki R. Haley
The Honorable Nikki Haley
1205 Pendleton Street
Columbia, SC 29201

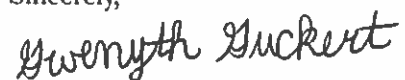

Dear Governor Haley:

My name is Gwenyth Guckert. I wrote to you last month because I chose to study South Carolina for my fourth grade state project. I was hoping for a reply from you. My whole grade is required to select a state to study for a year. I chose South Carolina as my first choice. Learning more about your beautiful state is what I hope to gain from this project. I started my research by writing to the person who runs South Carolina.

I was wondering what has been the toughest decision you have made as a governor so far? How do you find ways to connect with residents living there? Was there someone or something that inspired you as a child that made you consider being governor? What is the most challenging part of your job? As governor, how does your position affect your family or personal life? Any information that you think I could use would be greatly appreciated!

Thank you so much for taking your time to read this. If you don't mind sending me a picture of you with your signature for my book and a map of South Carolina that would be great.

Sincerely,

A handwritten signature in cursive script that reads "Gwenyth Guckert".
