SWIMMING AREAS return to 4 state parks this summer! We now have swimming areas at Aiken, Barnwell, Lee and Poinsett state parks. These parks join Cheraw, Paris Mountain, Table Rock and Oconee that offer swimming. Read more here and come out and make a splash this summer!

**Steffany Heath-Prokop** Now if these storms will move on we can so make use of this. We have little ones who want to play in the water everyday. Since Aiken State Park is only 7 miles away. We can swim & the dads can fish! Win Win! ♥Lovin It♥

**Clinton M. Webb III** Glad the swimming area is open at Aiken State Park, just wish the State Park Service would re-establish Lick Fork Recreation Area as a State Park again and make the swimming area usable as well as the bath house.

**Deanna Anderson** We were at Poinsett the first weekend the swimming area opened up (May 31-June 2) and everyone that was there had a great time!

**Kristie Dixon** The swimming area at Lee is just down from the picnic shelter. We went about 3 weeks ago after going to look at Pearl Fryer's topiary garden. Worth the trip on a Saturday afternoon.
