**Layla Elizabeth Manning** If you didn't receive an email confirmation, then it probably did not go through. I got to the "confirmation" page on the cabin I was trying to book at least 20 times with no luck.

at 18:42:20 on 11/23/2018 UTC

**South Carolina State Parks** Did you check your junk mail?

at 21:16:32 on 11/23/2018 UTC

**Ann W-Fitz** Friend and I started at 12:01 AM to get reservations at oconee. It excepted the validation code for the discount but it would not place the order. We tried for a while we tried from different devices. Try to get in this morning in about 9:30 AM finally got them through. Oh and the number to call for reservations? They're not working today  
at 21:17:28 on 11/23/2018 UTC

**South Carolina State Parks** Just wanted to make sure you were all taken care of with your reservations. We had some issues last night but they have been resolved. Very sorry for the inconvenience  
at 21:55:16 on 11/23/2018 UTC

**Karen James Wilson** Ended up calling the park directly to book.  
at 21:55:40 on 11/23/2018 UTC

**Brittany Hooks** I know everyone is saying it but I'm wondering if you all are working on changes to the site? I am not even going through the hassle of booking...I would love to see the option of putting in when I want to camp and seeing all parks that have availability. Would

save so much time, especially when you now how to click each individual campsite to see what size they are, as opposed to before when you could just see it on a table.  
at 22:23:50 on 11/23/2018 UTC

**Eddie Taylor** Disappointed Santee cabins were not available for the special this year.

at 1:24:45 on 11/24/2018 UTC

**South Carolina State Parks** We are constantly working to enhance and improve the new site. Just so happens the feature you mention went live this past week. Go here, and search by camping, cabins or day use. Maybe sure it is set to "all parks" select your dates and it will pull up all parks with that availability.

You will enjoy Oconee. We have camped there several times. My family enjoys Santee. We had been getting 3 cabins for a family vacation. The Black Friday special was a great deal for my family. They are ready to explore other options around Santee now.  
at 2:29:51 on 11/24/2018 UTC
