For #WildlifeWednesday, ride along as Ranger Rob goes to pick up a red wolf from Zoo Knoxville to bring her back to the Charles Towne Landing Animal Forest. As part of the Red Wolf Survival Species Plan, this female will now live at Charles Towne Landing, along with our male red wolf, Redford, to breed and ensure the longevity of this amazing species. If all goes well, CTL could see some puppies in the near future! Along the way, we picked up a Gopher Tortoise that will also live at CTL. Talk about a ZOO ON WHEELS! The female red wolf has been safely transported to CTL - so plan a visit to the Animal Forest to say hello and welcome our newest park resident!

### Charles Towne Landing's New Red Wolf

**Sue Love Boulware** Looks like he's waving!
