Re: Refugees from Muslim/Middle Eastern Countries

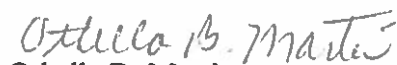

Dear Governor:

Thank you for refusing at this point to accept any refugees from the countries that are promoting such terrible acts of violence against anyone other than Muslims. My heart goes out to these people but we are opening up our State to receive terrorists because they are not being vetted - or not properly vetted.

Please continue to take a stand for the American people against the influx of Muslims who are coming here for benefits. How long can the United States support immigration from Mexico and now all the Middle Eastern people we are being asked to receive?

Thank you for your leadership in our State. I support you.

Very truly yours,
