There's a lot going on in our parks for the 4th of July holiday -- including the traditional fireworks at Dreher Island State Park on Saturday, July 3! Click here for programs and information to celebrate the 4th: <https://southcarolinaparks.com/programs-and-events>

Alex Leibowitz It would of been great to put on the website that the fireworks are going to be

on Saturday instead of the 4th because that caused a headache with booking camping since I booked in December for the park. That is need to know information for campers.

Willow Woods In many states fireworks are not allowed in the parks and it is awesome because it gives those of us with traumatized pets a place to go to escape the horror of all the neighbors blasting fireworks for days. Now that I have moved here I have no place to protect my poor dog and she literally convulses the entire time. No medications help. I cannot imagine how it is for the poor veterans.
