## **Statement From Governor Nikki Haley On Adjutant General Constitutional Amendment**

**COLUMBIA, S.C.** – Governor Nikki Haley today issued the following statement in response to the House concurring with the Senate on H.3540 and H.3541, which propose changes to South Carolina’s state constitution and laws that would allow the governor to appoint the Adjutant General:

“That South Carolina will now treat the head of our National Guard the same as every other state in the nation is so important, and is a further leap forward in our efforts to bring our state government into the 21st century. What happened today is another huge win for the people of South Carolina.”
