Angela: I called the Out of the Home Investigations(OHAN) at 1(803)898-7669.

What happened yesterday put those children in danger. If that had been me or any other mother we would have been charged with neglect and arrested. I have forwarded from person to person.... With no answers as to what the policy is. Your local office should know what the policy is. Again it is a case of the right hand does not know what the left hand is doing.

If those two questions asked below are policy, they need to be changed asap.

.

Please have someone contact me as soon as possible

Kind Regards.

Ms. Tanner I am sorry about the confusion as to who to call. I am not familiar with Doug as there is no Doug who works in this county office.

If you have any questions regarding the regulations and policies of a daycare, please call Day Care licensing at 1-800-637-8550 as that department is not located in the county office.

If you would like to make a report regarding Miss Tammy's Little Learning Center, please call Office of Out of Home Investigations(OHAN) at 1-803-898-7669.

I can have someone call you if you would like to provide me with a number to reach you.

**Importance:** High

I have called your office today spoke with Doug and asked the questions below. Due to an incident that happened yesterday with Miss Tammy's little learning center.

Question:

Is it again DSS policy/reg for a daycare to remove child from a hot broke down bus.
