Chuck Rutkowski hoping our winter paradise is spared from this hurricane

at 20:40:22 on 9/12/2018 UTC

Grace McWhirter Lawley This hurricane looks so awful on radar. Praying that everyone stays safe, evacuates like they're supposed to, and that Edisto doesn't take a direct hit. I will worry so much about our island when the power goes out. It makes me feel better just to be able to see it! God bless Edisto Island!
