Control Board
Meeting
September 9, 1981

MEMORANDUM FOR RECORD

FROM: William A. McInnis, Secretary
TO: File *WAM*
SUBJECT: Unsuccessful Telephone Meeting of Budget and Control Board
Scheduled for September 9, 1981

This will confirm that a telephone meeting of the Budget and Control Board, which was to be attempted by telephone from Room 212, Wade Hampton Office Building at 3:45 p.m. on September 9, 1981, was not held because a quorum of the members could not be reached at that time.

The agenda for that scheduled meeting was posted on September 8, 1981, at the usual locations. That agenda included one item relating to positions above the number authorized in the 1981-82 Appropriations Act for S. C. State College, Denmark Technical College and the Commission on Higher Education to implement the desegregation plan as approved by the U. S. Department of Education and it included a Greenville County petition to issue \$550,000 of Industrial Revenue Bonds on behalf of the G&G Enterprises project.
