Subject: Fwd: Get Out The Vote for Ben in SC - Strategy Call - Monday 7PM

Friends in SC,

Are we a nation of people that want someone else that is outspoken to do the work that we should be doing ourselves? This is the main reason, in my opinion, that Donald Trump is so popular. We are picking a candidate for President that has the most outspoken, criticizing, self centered personality that identifies issues with little ability to listen to others. If we were doing our job as citizens we would be looking for a person that listens to us the citizen voters that can empower our leader. Further that person would need to believe in our Constitution and Bill of Rights that have stood the test of time. Finally, we need a person that understands that those documents were drafted by a majority of Christians that wanted freedom from Kings and Dictators.

Fortunately, we have several candidates that have better credentials than Donald Trump. If Dr. Ben Carson is one of those candidates, in your mind, who has the necessary skills including LISTENING, the following is an opportunity to make a difference.

Whatever we do we need to vote next Saturday, February 20.
ED
