Subject: FW: Gov. Haley's achievements

Good afternoon, Ms. Adams. Hope you're well. This is Dionne Gleaton, staff writer at The Times and Democrat newspaper in Orangeburg, with a request to speak to Gov. Haley either directly or through you or another staff member about her remarkable achievement in being chosen as a U.N. Ambassador. As a native of Bamberg as we all know, along with being the daughter of Indian immigrants, we just wanted to speak to her on her somewhat meteoric rise from her humble beginnings to where she is today, including with her appointment by president-elect Donald Trump. Is there any way possible that I may be able to either speak with Gov. Haley or submit questions that she may be able to answer to talk a little about that?
