Hi! I'm a den leader with scout troop 100 and I was hoping to get a guided tour and/or have someone talk to my boys about plants and trees and the ecosystem and how they improve the environment. Is there anyone that can do that? We are a small group.

Which park are you interested in? Sesquicentennial State Park would be the closest to you.

Call Sesqui at 803-788-2706 and ask to talk to Ranger Stacey. She should be able to assist you with any tours/programs for your group.
