South Carolina State Parks

at 19:00:00 on 5/08/2017 UTC · 🌐

On Friday, we cut the ribbon, along with the Lutz Foundation, on our "new" campground at Chester State Park. The foundation's grant helped us upgrade to 50 amp service, add new water lines, fire rings, lantern holders, picnic tables and new picnic pads to all the campground sites. The foundation has been a long-time supporter of Chester State Park. Over the years, we have been able to add playground equipment, a disc golf course and a new fishing pier because of the strong support from Lutz. Also, a big thanks to all the park staff who got the work done this spring. Book your site:
