Subject: RE: Scheduling Conflict - Meeting with the Governor

Thanks Katherine, I understand. Unless the Governor has something we need to meet about, let's just wait and reschedule at a later date.

Take care,
Kenny

Importance: High

Kenny,
I hope you had a great weekend.
We have a scheduling conflict for your Tuesday meeting with the Governor.

Can you meet with the Governor on Thursday at 2:00? Another option would be 2:45.
Please advise.

Thank you,
Katherine
