Brett: I realize the senators needed to get this appointment confirmed before session ended but my question is: does Ms. Steinberg know that Judge Koontz does not retire until June 30<sup>th</sup>? Also, after her last day working the administrative staff and Chief Magistrate have to wait for the bank statements and audit the office. They have to then go to the bank and close out the accounts for Judge Koontz or transfer them to Judge Steinberg. I just wanted to make sure that Judge Steinberg is aware that she cannot start work immediately in this position.

Thank you.
