

Gov Mikki Hailey,

I Donald Robin Lee
Am writing you. Asking
For a Pardon of All charges.
Against me. I have been
sexually Abused as a child.
There was a lot of criminal
domestic violence in my
Home. My sister suffered
a death that was unexplainable.
My Father suffered a wonderful
death. These things led to
my downfall. I HAVE 2 strikes
against me. Cocain & CDV
HIGH + aggravated nature. During
this I went to drug use
AND Abuse. The things led
me to the brink of insanity.
I have Apologized to my
Mother and I am apologizing
to my Govt. My life has been
Hard. I am coming off drugs

I have terrible nerves.
I would like a second
chance. The first crime
was cocaine which I took
the charges for a woman &
children. The second charge
I'm not guilty of CDV High
and Aggravated Nature. I would
like to be granted a reprieve
of all charges. I am a
worth while person and
I feel I deserve a second
chance at life. I am 52
years old I'm tired of Running
I Just want to live in peace.

Please help me
in any possible way,
THANK you.
