Subject: Request from Senator Kent Williams office - Latta Softball Team

Katherine,

Senator Williams has been asked by a local softball team in Latta, SC to put together 15 welcome bags to players from Louisiana that are traveling to Myrtle Beach the weekend of July 30th. Would the Governor's office have a small token we could get from you to include in the bags?

Many thanks for your help! Just 15 small items. 😊

Debbie Barthe
