There was a child death at an upstate child care facility today. The Greenville News's story is below and this is how DSS wants to respond to incoming questions. Thoughts or concerns?

We received media inquiries from WSPA, and Fox Carolina – we propose to send the following.

Creative Kids self-reported a fatal incident that occurred today, May 11, 2016, at their facility. DSS staff have visited the center today and commenced its investigation of the incident. The Department is also cooperating with law enforcement in its investigation.

Thoughts?
Thanks,
M
