

Dear Governor Haley
My name is Conner I am a second
grader at Loy Elementary School
in Great Falls, Montana. My parents are
stationed at Malmstrom AFB. In
our class we are learning about
different states. The state I chose
to learn about is South Carolina. I
am very excited to learn
about this state. If you can,
I would like information about
your state, an autographed picture
of you and your favorite recipe.
We will be collecting recipes
from different states in our class
and making a United States Recipe Book.
Thank you very much.

Sincerely,
Conner Reisinger
