The first draft should be finished mid January. It has to be reviewed again after that.

Do you (AAA Directors) want to take a day to review the major changes?

I have the next meeting on the 15, not this week.

By chance is there a date the draft will be released for review. We (AAA Directors) are really anxious to review it and start planning for procurement etc. Our first meeting this year is this Wednesday.

Thanks

We are allowing transportation as a HCBS. The policy is being revised and will include transportation.

Tony  
Happy New Year! I want to personally thank you for the additional HCBS funds. As we discussed \$42, 032 will be used to keep Greater Faith and Joy open through June 30, 2013. I am also contacting my contractors to determine their needs for the additional HCBS funds identified on the NGA. I do have one question. When I initially sent you the request to keep Greater Faith open (see attached) it stated that in order to keep the site open \$16,203 was needed in Group Dining and \$29, 703 was needed in transportation for a total of \$45, 906. The additional funds on the NGA are identified as HCBS. When I reviewed the current policy and procedure manual SECTION 600, Page 1. It states that HCBS (State General Revenue) is to be used for :

Adult day care;

- case management;
- chore maintenance;
- group dining;
- home delivered meals;
- home safety assessments;
- homemaker;

- housekeeping;
- medication management;
- minor home repairs; and
- any service approved through the Area Plan process.

It does not specifically state that transportation, but it does state any service approved through the Area Plan process. How would you like for me to handle this? I can submit an addendum to the Area Plan or get your offices approval via this email. Please advise.

Shawn,

The money on the NGA is the \$90,000 I mentioned in the meeting.

Shawn,

Tommy is working on a new NGA which will include \$42,032 for Greater Faith and Joy. It should be completed the week after Thanksgiving.
