I am looking for July 4th activities at the parks. We are trying to become ultimate outsiders

It just depends on the park. Are you staying at a particular park? Dreher Island has the annual fireworks display on Lake Murray. Oconee State Park does games and all kinds of fun activities on July 4 weekend. Some parks are so busy with their large crowds that they don't do any special events. Poinsett State Park has some activities going on. Since July 4 falls on a Wednesday, some events will take place the weekend before -- and some probably the weekend after. You can search programs & events by date on our website. I would suggest putting in 6/29 to 7/8 on the calendar on our programs & events page and hopefully some programs that interest you will pop up.
