Subject: Rob, Chaney meet Kylie!

Hey friends -

Kylie is a good friend of mine who was our Iowa embed for CBS. She's just gotten to SC where she's told me on the record, she never wants to leave. Obviously! She'll be there through the primaries.

Would be nice for y'all to know each other. Perhaps you could grab coffee soon. I'll try not to be too jealous.

See you soon!

Jenna
