Senator Hayes,

Thank you for meeting with Christian and I yesterday. We appreciate your time and feedback.

The Governor would like to invite you to a K-12 education briefing on Tuesday, January 7, 2013 at 12:30pm at the governor's mansion (*we moved the meeting from Monday to Tuesday*). This briefing will be for all the legislative members of the "K-12 education conversation." Lunch will be served. We look forward to seeing you on Tuesday, January 7<sup>th</sup>.

Please let me know if you are able to attend.

Thank you,  
Katherine
