Responses to Student Transportation Services RFI #11-02

This letter is a request to receive public records pursuant to the South Carolina Freedom of Information Act. I would like to receive a copy of all responses received by the Office of the Governor of South Carolina for the Student Transportation Services: Opportunities for Public-Private Partnerships, RFI #11-02, dated May 6, 2011.

Since this request primarily benefits the general public, I request that any search or copying fees be waived. If there is a charge for providing these responses, please advise me of your estimate of the charge and the basis for the charge.

Thank you for your assistance in this matter.

Respectfully,

A handwritten signature in black ink, appearing to read "SH Hughes", written over the printed name.
