## House of Representatives

State of South Carolina

November 18, 2015

Honorable Nikki R. Haley  
Governor of South Carolina  
Office of the Governor  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor:

Please find this correspondence addressing the issue of the horrific, cowardly attacks by terrorists against the people of Paris. There has been much concern in my district, District 58, concerning these horrific acts. At the state level in South Carolina we need to take all necessary measures to ensure the safety of the people of this state. There is much concern regarding the Syrian refugees coming to the United States. With so many refugees being allowed to enter the United States, managing and controlling these refugees' movements, communications and other aspects of security is practically impossible. Just like you, and the other leaders of this state, I want to take all means necessary to ensure the safety of the people of South Carolina.

I ask that you vehemently continue your opposition to any refugees entering this country and in particular South Carolina, as such migration will jeopardize the security of the people of South Carolina. I kindly ask that you have your staff forward to me the list of sanctuary cities where the proposed refugees could be located within the boundaries of South Carolina.

With kind regards, I am

Very truly yours,
