Nah...get the headline number on the radio. Don't need the actual report. Thanks.

Subject: ADP Announces Regional Employment Report Launch

Josh,

Attached please find a letter announcing the upcoming launch of the *ADP Regional Employment Report*[™]. We are reaching out to you on behalf of our client, ADP, who thought this new monthly report would be of particular interest to you and others in your office, since it will include valuable data and insights about private sector employment trends in South Carolina.

Moving forward, we would be more than happy to arrange for you and others on your staff to receive the *ADP Regional Employment Report* directly via email each month. If that is of interest, we ask that you simply respond to this email with names, titles and email addresses of those you would like added to the distribution list.

Many thanks for your time and please let us know if you have any questions.

Sincerely,
Jessie
